

Clase 5: Guitarra funk

El funk es un genero que se caracteriza por guitarras ritmicas muy marcadas y uso de acordes en formato drop 2. Comenzamos este segundo modulo trabajando sobre las diferentes ritmicas planteadas abajo.

Practica:

- Con ayuda del backing track, ejecutar las diferentes ritmicas utilizando solo el acorde de E9.
- Pista:

Variaciones rítmicas en guitarra funk

The image displays seven musical staves, each representing a different rhythmic variation for guitar funk. All staves are in 4/4 time and use the E9 chord. The variations are numbered 2 through 7:

- Staff 2:** Features a steady eighth-note pattern with an E9 chord at the beginning.
- Staff 3:** Features a steady eighth-note pattern with an E9 chord at the beginning.
- Staff 4:** Features a steady eighth-note pattern with an E9 chord at the beginning and a 'V' (bend) mark above the fourth measure.
- Staff 5:** Features a steady eighth-note pattern with an E9 chord at the beginning and 'V' (bend) marks above the second, fourth, and sixth measures.
- Staff 6:** Features a steady eighth-note pattern with an E9 chord at the beginning and 'V' (bend) marks above the second and fourth measures.
- Staff 7:** Features a steady eighth-note pattern with an E9 chord at the beginning and 'V' (bend) marks above the second, fourth, and sixth measures.
